

Support the Future of Direct Marketing in the DC Metropolitan Area

Direct Marketing Association of Washington Educational Foundation

The DMAW/EF offers direct marketing courses, programs, and awards to college students and their professors, to educate and inspire potential direct marketers to enter the field.

The Leadership Circle was established in 2008 to support the DMAW/EF, a 501 (c) (3) nonprofit organization, with programs that link professors, students and direct marketing organizations. Leadership Circle donations fund many essential programs, such as Professors' Institute, Collegiate MAXI Competition, Student Mentoring/Internships, and much more.
